

Rap as a Language-Learning Tool

National Community Languages Conference 2023

Exercise

Please take the following verse and convert it into lyrics in your own language, with a similar or more appropriate meaning. You do not need to translate it exactly, just keep in mind that

- it should convey the same message as the original song, and
- it should rhyme.

_____ is the key, to open up new doors.

To connect with culture, to travel and explore.

So get on board, and don't be shy.

Learn this language and watch your skills soar high.
